CASCADÉ
DRILLING | TECHNICAL SERVICES

EXCELLENCE ON EVERY LEVEL™

CASCADÉ provides a full range of environmental and geotechnical drilling, site investigation and characterization, and environmental remediation technologies. Our vision is to integrate technology, safety, sustainability and human potential to tackle the challenging environmental and geotechnical issues facing our clients.

YOUR PARTNER FROM CONCEPT TO CLEAN UP

DRILLING

environmental, geotechnical, utility clearance, IDW, sonic, auger, rotary, direct push

SITE CHARACTERIZATION

high resolution site characterization, sampling, data visualization, MIHPT, UVOST, CORE^{DS}_{ENV}, WATERLOO^{APS}_{ENV}, MobiLab

REMEDIATION

in situ, ex situ, collaborative design, thermal, chemical, biological, emplacement

With Cascade offices across the United States, subsidiaries and international partners, we deliver reliable services **nationwide.**

DRILEX

ENVIRONMENTAL

Drilex Environmental is one of New England's premier drilling companies

Drilex Environmental was established in 1995 and is one of New England's fastest growing, premier, full service Drilling and Environmental Construction companies. We are a quality drilling company, able to meet the ever changing needs of our clients.

AIPG STATEMENT OF PURPOSE

The purpose of the Institute shall be: to strengthen the geological sciences as a profession with all reasonable actions; to establish professional qualifications for, and to evaluate continuously the ethical conduct of geological scientists. Further the Institute shall establish standards to protect the public and geological sciences from non-professional practices; shall monitor governmental and other activities affecting the geological sciences; and, shall communicate with the public.

The Directory of the Northeast Section of the American Institute of Professional Geologists is digitally published annually at www.issuu.com/neaipg and at www.ne-aipg.org. Design and layout by Curt Kraemer, Kim Burger and Dick Young. Section Members are alerted to each issue by e-mail. The Directory was compiled by Curt Kraemer from data provided by AIPG. Many thanks are extended to all who helped in compiling this issue.

AARCO Environmental Services Corp.

Premier Drilling Company

AARCO Environmental Services Corp. is a premier full service environmental contracting company. Our expertise includes a wide variety of drilling services:

*Environmental Drilling, Geotechnical Drilling
Hollow Stem Auger, SONIC Drilling, Air
Rotary Drilling, Mud Rotary Drilling, Well
Installation, Well Decommissioning, Chemical
Injection, Direct Push, Remote Access,
Truck and Track mounted rigs.*

NY & NJ Licensed

HOW DO YOU ACCESS DIFFUSION LIMITED PORE-SPACE?

With **COMPLETE CONTROL** of injection **DIRECTION**, **RADIUS**, and **VELOCITY**.

From the grounds of Space Launch Complex 15 at Cape Canaveral,

BADGER INJECTION SOLUTIONS, LLC

is now servicing the Northeast with kinetically adjustable pore space dilation injection techniques to emplace your selected in-situ treatment amendment.

It's all about **CONTACT**, and the Badger Technology **DELIVERS**.

- DAILY injection volumes average 2,500 GALLONS with injection rates of up to 35 GALLONS PER MINUTE
- TARGET SPECIFIC TREATMENT AREAS using a selection of nozzle arrays (360°, 270° or 180°) with a MINIMUM RADIUS OF 15-FEET
- VARIABLE INJECTION FLOW RATES - essential in allowing amendments to diffuse into limited pore spaces

Environmental Assessment & Remediations is the certified BADGER technology provider for the Northeast.

Contact us NOW to coordinate your INJECTION SERVICES for 2017!

**ACTIVATED CARBON
BASED IN-SITU
REMEDICATION
CHEMISTRIES
IN THE WORLD**

The RPI Group approach includes high density site characterization with pro bono laboratory support, expert project design, and professional installation.

19
YEARS

Celebrating our 19th year of unprecedented success returning environmentally compromised properties to their highest and best use.

Contact Derek Pizarro (610-517-8242, dpizarro@astenv.com) to learn if the RPI Group Approach to in-situ remediation is an option for your site.

PIGGYBACKING: SERVICE EXPANDED FOR NE/AIPG ADVERTISERS!

The NE/AIPG Newsletter has again expanded its PiggyBacking options offered to Advertisers. Advertisers can include promotional flyers or brochures along with NE/AIPG's normal distribution of the Newsletter & Directory of Members.

PiggyBacking gives NE/AIPG Advertisers a cost-effective way to get their promotional material into the hands of NE/AIPG's targeted audience of decision-makers. That audience encompasses over 600, including ~500 NE/AIPG Members and Applicants throughout New York, New Jersey, and the six New England states, as well as ~40± AIPG National and Section Officers, over 60 Advertisers, and others. NE/AIPG Members benefit from keeping current on available and innovative products and services.

PiggyBack Rates:

PiggyBack rates for digital issues (see <http://issuu.com/neaipg/docs>) are:

1. A "Full Page" (~8" high by 5" wide) Space in Full Color costs \$125 per issue;
2. A "Double Full Page" (~8" high by 10" wide) Space in Full Color costs \$225 per issue;
3. A "Quad Full Page" (2 Doubles of ~8" high by 10" wide each) Space in Full Color costs \$425 per issue.

To schedule your PiggyBack promotion, or to learn more, just call Dick Young at 973-335-2289 or e-mail RYoungNJ@aol.com.

2023 NORTHEAST SECTION MEMBERSHIP BY SELECTED PRIMARY FIELDS OF PRACTICE

None Listed - Of the 498 members of the Northeast Section AIPG, 105 did not select any Field of Practice. This includes 77 Students and One Associate Member, all of whom would not have a "Field of Practice", yet.

Solutions to complex challenges

A continually shifting world makes any engineering design solution difficult, often overwhelming. We help you overcome these challenges.

First, we start with you – defining true value and a successful outcome. With a deep understanding of the nexus between regulatory, technological and environmental drivers, we deliver certainty on cost-effective projects and programs that meet and exceed your goals.

Together we can do a world of good.

Detection of Foundation Elements
Water Table Mapping
Buried Landfill Detection

7 REASONS TO USE ENVIROSCAN

- Geophysics is our only product - so we really know what we're doing.
- We own all the gear for all techniques - so we use the right tools every time.
- Since we do only geophysics, we are not your competitor!
- We have 4 licensed PGs on-staff managing or reviewing every project.
- We provide fully electronic / digital / GPS-based mapping and reporting.
- We provide one-stop shopping for land, marine, and borehole geophysics.
- We are WBE - certified.

**Building communities.
Improving our infrastructure.**

Creating new possibilities with clients.

- Property development and brownfields reuse
- Remedial investigations, design and construction
- Environmental, health and safety management
- Energy facility and linear utilities development
- Underground construction risk management
- Sustainable design enhancement

GET TO THE SOURCE... THE FIRST TIME!

with Horizontal Remediation Wells

Some of the benefits:

- No business interruption during installation
- Maximum exposure to contaminants
- Cost efficient
- Reduced maintenance equipment, and operations cost.

And a few of the applications are:

- Horizontal Air Sparging
- Horizontal Soil Vapor Extraction
- Horizontal Bio Remediation
- Horizontal Soil Sampling
- Chemical Oxidation
- And many more...

Experience Sonic

Benefit from continuous core sampling in overburden, sand, gravel, clay, cobbles, boulders, weathered bedrock, and delicate formations. With drill speeds up to 4 times faster and as much as 80% less waste, there is no better technology or value than Sonic.

Summit Drilling's Sonic Division has invested in the industry's best people. Our new sonic fleet is operated by highly skilled and specially trained drillers who deliver unmatched sample quality and efficiency in the field. *As important*, sonic is the safest drilling technology.

Summit Drilling is recognized by state agencies, customers and peers for their ongoing commitment to safety and consecutive record of success.

Experience Sonic at An Exceptional Level. Call Summit Drilling and Speak with a Sonic Expert Today.

Investigating PFAS? Speak with the industry's most trusted contractor!

Resource Development and Maintenance

Layne Christensen's well-trained field crews and experienced staff work with clients to:

- Develop new water sources
- Rehabilitate existing wells, through either chemical or mechanical processes
- Provide pump service (new sales, repairs and installation)

Water Treatment

Layne Christensen's professional engineers can assist in determining an appropriate treatment technology. We then fabricate systems scaled to each client's requirements.

**Angelo Tagliacozzo Memorial Geological Scholarship
2022—2023 Academic Year
Final Status Report**

Kelly A. Weyer, CPG
Chair, Scholarship Committee

The ATMGS Committee, which consists of eight members (Al Moffit, Christopher Brown, Dean Herrick, Jeff Frederick, Mike Grifasi, Sam Gowan, Tom West, and Kelly Weyer), evaluated 20 qualifying scholarship applications received between September and December 2022. The applications were reviewed between December 2022 and February 2023, before the ATMGS Committee agreed on suggested award pools and recipients.

Evaluation criteria included:

- Financial need;
- Academic transcript and qualifications;
- Career goals;
- Achievements (*e.g.*, awards, projects, publications and presentations, senior thesis, etc.); and
- A faculty recommendation letter.

Financial need and academic qualifications were weighed more heavily than the other factors in accordance with the evaluation process that has been used for many years.

The applications came from eleven different colleges and universities within five of the eight NEAIPG states. All of the applications demonstrated excellent academic qualifications and real financial needs. Several students had a 4.0 GPA, and several others were above a 3.7 GPA. Many of the students are involved in research projects, as independent studies or as part of group courses, which give them hands on experiences in the field, in the lab, summarizing and interpreting their results, and/or presenting the research to their peers and colleagues at professional meetings. Sev-

Providing Critical Environmental Data on Properties Throughout the U.S.

Envirosite's cost-effective government records database and historical property research solutions are used industry-wide for:

- o Environmental Site Assessments (ESAs)
- o Environmental Risk Management
- o Phase 1 & 2 Reporting
- o RSRA Desktop Reviews
- o Due Diligence

Our solutions provide near real-time data delivery. Receive the environmental information you need – when you need it.

eral students expressed that they would use the Award to help fund a project or trip, which we all know is an important part of understanding geological processes.

The NEAIPG ExCom and the ATMGS Board of Trustees approved the final Awards by consensus and majority decisions during the March 6, 2023, NEAIPG ExCom meeting. The final award amounts were approved after considering the applicants' qualifications, performance of the ATMGS Perpetual Trust Fund over the past year, and the overall financial health of the NE Section. An Award pool of \$25,000 was selected to be distributed to 15 of the 20 applicants.

NEAIPG is proud to announce the fifteen recipients for the 2022-2023 academic year as listed below:

Bryan Lee	Rutgers University	\$3,000
Hannah Davis	Univ. of Massachusetts Amherst	\$3,000
Joseph Rosal	Stockton University	\$2,500
Grace Levins	Union College	\$2,500
Journey Berry	Rutgers University	\$1,500
Maria Clara Rapoza	Colgate University	\$1,500
Harold Carrasco	CUNY Brooklyn College	\$1,500
Dane C Johnson	University of Maine	\$1,500
Alyssa Schaeffer	Hartwick College	\$1,500
Emily Watling	Eastern Conn. State University	\$1,500
Michelle Cimaglia	Rutgers University	\$1,000
Sophie Naylor	Colgate University	\$1,000
Bridget Lynch	Wellesley College	\$1,000
Eva Griffiths	University of Maine	\$1,000
Tahiris Ruiz	University of Maine	\$1,000

Applicants who did not receive an Award were emailed an acknowledgement letter notifying them of the results and thanking them for their interest in our scholarship program. Students

(Continued on page 81)

(Continued from page 80)

who will be seniors next year are encouraged to apply for the 2023-2024 Awards, if they are still eligible.

A huge thank you is extended to each member of the ATMGS Scholarship Committee for their time and effort in evaluating the 2022-2023 Scholarship applications, and thanks to the former Committee Members and former Committee Chair, Dennis McGrath, for developing the evaluation system that provides results to aid in the Committees' and Board's final decisions. Thank you to our NEAIPG Treasurer Scott Hulseapple for distributing the checks. Thank you to the professors, faculty, and students for their interest and involvement in the Scholarship program. Last but not least, **thank you to everyone who has and continues to donate to the Angelo Tagliacozzo Perpetual Trust Fund.**

Celebrating 37 Years of Scholarships!

The Angelo Tagliacozzo Memorial Geological Scholarship

The Angelo Tagliacozzo Memorial Geological Scholarship was established by the Northeast Section of the American Institute of Professional Geologists in late 1986. The first Scholarships were presented to undergraduate Geology students in 1987.

The ATMG Scholarship recognizes the dedicated leadership and service which Angelo provided to NEAIPG, to AIPG, and to the geological profession, until his untimely passing on October 11, 1986. The Scholarship furthers Angelo's goal of acquainting young geologists with AIPG and with AIPG's importance to the geological profession.

ANGELO TAGLIACOZZO (1936 - 1986)

Angelo Tagliacozzo received his doctorate in Geology from the University of Rome (Italy) in 1962. Thereafter, he worked in various positions as geologist, geophysicist, and hydrogeologist, which included assignments abroad, in the U.S., and with the United Nations. Angelo provided exemplary service to AIPG at the Section and National levels. He was a Northeast Section Executive Committee Member (1973-1982), Vice President (1977-1978), President (1979-1980), National Advisory Board Delegate (1981-1982), and Screening Board Chairman (1984-1986). Angelo's dedication to and leadership of the Northeast Section Screening Board has become the ultimate standard against which service in such a position is measured. Angelo also served as an AIPG National Executive Committeeman (1982); he was a vigorous advocate of measures to increase professionalism. Angelo was (and will always be remembered as) a respected professional.. and a friend to many.

THE SCHOLARSHIP

NEAIPG grants Scholarships to undergraduate geology students annually. The Scholarships are designed to help with the cost of summer field courses, textbooks, and other aspects of geological education. Scholarships are awarded, on academic achievement and on financial need, to students enrolled in recognized geology programs at colleges or universities located in Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, and Vermont.

YOUR CONTRIBUTIONS

Your participation is encouraged in support of this dynamic memorial to Angelo and his recognition of the importance of AIPG to the geological profession. Contributions to the Scholarship Perpetual Trust Fund should be written to:

Angelo Tagliacozzo Memorial Geological Scholarship Perpetual Trust Fund, and mailed to:

**NE/AIPG Geological Scholarship Trust Fund
c/o Scott Hulseapple
679 Plank Road, Clifton Park, New York 12065**

Alternatively, you can make your Contribution RIGHT NOW ON-LINE, by simply going to <https://ne-aipg.org/> and clicking "Donation To Scholarship Fund" (under "Quick Links" on the home page).

All Contributions are invested perpetually, with earnings thereon used solely for the Scholarship. NE/AIPG bears all costs of administration. Please ask your employer about matching your tax-free contribution, and additional corporate contributions.

Memorandum

To: Kelly Weyer, Chairperson, ATMG Scholarship, Northeast Section, AIPG

From:

Date:

Re: *I'm Taking the Pledge: I'M IN FOR 2023!*

Dear Kelly,

This year, I am 100% with you when it comes to achieving the Section's goal of 100% participation in support of the ATMG Scholarship Perpetual Trust Fund in 2023!

I agree with your encouragement that **each and every Section Member make a contribution in accordance with their ability!** Affordable donations from many members, can show a stronger and more united support for the future of our profession and aspiring geologist, rather than relying on the generous support from a few members.

To show my support toward the profession of Geology and encourage aspiring Geologist, you can count me in FOR 2023!

I am committed to contributing, as much as I can, **to give back to the profession that has given me so much. I'M IN FOR 2023**, and I am considering a **tax-free donation** equivalent to \$35 a Week, \$35 a Month, or \$35 for the Year!

Also, I just wanted to tell you I am delighted to know that every one of those hard-earned dollars that I contribute will be INVESTED in the Scholarship Perpetual Trust Fund, so my contribution today can keep on giving, year after year! That makes me feel like my contribution really means something, both now and in the long term!

I have thought it over, and **I know how important 100% participation is to make significant impacts in the lives of aspiring geologists!** So, Kelly, **I'M IN FOR 2023**, as indicated below.

If I want to add another tax-free donation later in the year, or if I want to pay this donation online, I know that I can visit the Section website at <https://ne-aipg.org> and make a donation at any time.

Professionally yours, _____

At this point in 2023, I am pledging the amount indicated below, and I will provide payment via check, or will pay online at <https://ne-aipg.org/>. I indicated my donation amount and payment method below with an "x" on the appropriate statements:

____ \$35 a Week (\$1820 for 2023)

____ \$35 a Month (\$420 for 2023)

____ \$35 a Year (\$35 for 2023)

____ I pledge to donate the amount of \$_____ (I know that a little bit is better than nothing!)

____ I have physically mailed this letter to you and enclosed my check, made out to "Angelo Tagliacozzo Memorial Geological Scholarship Perpetual Trust Fund."

____ I have emailed you this letter, and I will pay the donation online. If my payment is not received within 30-days of receiving this letter, please invoice me and I will agree to pay as soon as possible, and no later than by 12/1/2023.

Signed: _____

Name Printed: _____

Address: _____

NEAIPG Spring Meeting with HMPGA

When: Wednesday, April 19, 2023

Where: The Century House
997 New Loudon Road, Latham, New York 12110

What: NEAIPG Spring Membership Meeting, in collaboration with Hudson-Mohawk Professional Geologists Association's (HMPGA). A joint meeting with a focus on bringing together geology professionals and students.

Tentative Agenda:

HMPGA/NEAIPG Executive Board meetings - 4:00pm

Student Poster Session and Networking - 5:00pm

Dinner - 6:00pm

Presentation by Felicia Kegel Bechtel, MSc, PG, Senior Geophysical Advisor and Special Projects; How to use geophysics most effectively when digging or drilling to save time, money, danger, liability, etc., including multiple case histories/fun - 7:00pm

FIELD TRIP 1 to 3 PM

A tour of the Palette Stone Quarry and Plant, Saratoga Springs, NY

Student Poster Session:

This event will host a Student Exposition where students in geosciences and related fields, such as geophysics, geology, hydrogeology, geochemistry, and earth & environmental science, can present their research in an open poster session. Current students and recent graduates of winter 2022/2023 are encouraged to present at the open poster session.

This will be the 5th Student Exposition hosted by HMPGA, after taking a break after the 4th annual event in 2019. This event will be attended by geologists from academic, government, and consulting sectors. The Exposition is FREE to presenting students and includes dinner.

We are seeking Sponsors for this event.

Let us know if you'd like to support the event and gain company exposure through event advertising and announcements.

We will send email announcements when the details are finalized and when registration opens.

Watch your email inbox for updates!

Contact Kelly Weyer at kweyer@cg-env.net or Jonathan Dippert at J.Dippert@ctmale.com with questions or for more information.
